SIMULTANEOUS TRANSLATION WILL BE PROVIDED

CME CREDITS: 20 (twenty)

and moreover:

A.G.R.A.F., Organon, Alaris, Fresenius Vial, Terumo

Registration Cost 600,00 Euros (VAT not included)
Limited Participation for 60 Anaesthesiologists

1st day - Thursday

08:30 Registration

Morning Session

09:00 - 09:30 PRE-TEST with TED system

1st Session: PK/PD

- 09:30 - 10:10 **F. Engbers** (Netherlands)
"Basic pharmacokinetics for TIVA"
- 10:15 - 10:55 **G. Kenny** (Great Britain)
"Development and principles of TCI"
- 11:00 - 11:40 **L. Barvais** (Belgium)
"Pharmacodynamics and effect site control"
- 11:45 - 12:25 **F. Servin** (France)
"TIVA in the extremes of age"
- 12:30 - 13:00 Role playing

13:00 - 14:30 *Lunch break***Parallel Session**

09:30 - 13:00 "ALARIS: Open T.C.I. & Safety Medication"

Afternoon Session**2nd Session: Basic PK/PD workshop**

- 14:30 - 15:00 **F. Engbers** (The Netherlands)
"Introduction to TIVA Trainer"
- 15:15 - 17:30 Breakout sessions: three groups
- 17:30 - 18:00 Role playing

Parallel Session

14:30 - 18:00 "ALARIS: Open T.C.I. & Safety Medication"

2nd day - Friday**Morning Session****3rd Session: Opioids and drug interaction**

- 09:00 - 09:40 **S. Schraag** (Germany)
"Pharmacology of opioids for TIVA"
- 09:45 - 10:25 **F. Servin** (France)
"Drug interaction during TIVA"
- 10:30 - 11:10 **Q. Piacevoli** (Italy)
"Muscle relaxation"

Parallel Session

09:00 - 13:00 "ALARIS: Open T.C.I. & Safety Medication"

4th Session: Monitoring

- 11:15 - 11:55 **G. Kenny** (Great Britain)
"Depth of anaesthesia"
- 12:00 - 12:40 **S. Schraag** (Germany) and **Q. Piacevoli** (Italy)
"Devices to quantify anaesthesia"
- 12:45 - 13:00 Role playing

13:00 - 14:30 *Lunch break***Afternoon Session****5th Session: Future of TIVA**

- 14:30 - 15:10 **A. Borgeat** (Switzerland)
"Pharmacology of conscious sedation"
- 15:15 - 15:55 **A. Borgeat** (Switzerland)
"Drugs for postoperative analgesia"

6th Session: TIVA in real life

- 16:00 - 16:25 **F. Engbers** (The Netherlands)
"Practical aspects of TIVA"
- 16:30 - 16:55 "Video workshop with case scenarios Team"
- 17:00 - 17:25 "Hands-on infusion devices for TCI including new pharmacokinetic models Team"
- 17:30 - 18:00 POST-TEST with TED system

Parallel Session14:30 - 18:00 **A. Albertin**: "B.Braun OTCI - TIVA case study with human body simulator"**3rd day - Saturday****Discussion Session with Italian SIVA Group**

Contributions of Italian speakers:

- 09:00 - 09:20 **P. Mastronardi**: "Myoresolution in TIVA"
- 09:20 - 09:40 **F. Azzeri** and **Q. Piacevoli**: "Video workshop with case scenarios in maxillo-facial surgery"
- 09:40 - 10:00 **E. Vincenti**: "Biochemical-pharmacological mechanisms of Diprivan on isolated mitochondria"
- 10:00 - 10:20 **E. Mondello**: "Video workshop with case scenarios in Abdominal VLP surgery"

10:20 - 10:40 *Coffee-break*

- 10:40 - 11:00 **P. De Vivo** and **A. Del Gaudio**: "Video workshop with case scenarios in neurosurgery"
- 11:00 - 11:20 **G. Fanelli**: "Video workshop with case scenarios in orthopaedic-traumatologic surgery"
- 11:20 - 11:40 **M. Bosco**: "TIVA-TCI: a gradual and integrated approach in breast surgery"
- 11:40 - 12:00 **M. Sammartino**: "N.O.R. Anaesthesia / Sedation in neonates and children"
- 12:00 - 12:30 **F. Caracciolo**: "Peridural integrated sequential anaesthesia - TCI in major abdominal surgery"
- 12:30 - 13:00 Role playing

13:00 - 14:30 *Lunch break***Parallel Session**09:30 - 13:00 **A. Albertin**: "B.Braun OTCI - TIVA case study with human body simulator"**Afternoon Session**

- 14:30 - 14:50 **C. Melloni**: "Lissives: close loop"
- 14:50 - 15:10 **P. Di Marco**: "Plasmatic concentration vs. concentration in biophase, in clinical practice"
- 15:10 - 15:30 **F. Giunta**: "TIVA in Day Surgery, a rational choice"
- 15:30 - 16:30 Role playing

Parallel Session14:30 - 16:30 **A. Albertin**: "B.Braun OTCI - TIVA case study with human body simulator"
